

Attorney Docket No. 046190/270365

**DECLARATION FOR PATENT APPLICATION
ON BEHALF OF NON-SIGNING INVENTORS**

On behalf of the below named non-signing inventors, I hereby declare that:

I am an authorized representative of Societe Nouvelle Cell Tissue Progress, which has a sufficient proprietary interest in the subject matter of the present invention, and I am making application on behalf of and as agent for the inventors.

The inventors' residence, mailing address and citizenship are as stated below next to their names.

I believe the inventors are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled

A CELL AND TISSUE CULTURE DEVICE WITH TEMPERATURE REGULATION,

the specification of which

☐ is attached hereto

OR

☒ was filed on October 24, 2003 as United States Application No. 10/692,529

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT International application having a filing date before that of the application on which priority is claimed.
